

OWEN KOLBERT

PROFILE

I am a Junior in High School and have worked hard all of my life to strive for good grades and success. I have been described as having leadership abilities and very hard-working.

EDUCATION

- **The Center For Advanced Research and Technology (2024-2026)**
 - Clovis, California
 - Web Application Development ROP
 - Developed multiple professional websites and applications such as a website for Trion Supercars
- **Buchanan High School (2022-2026)**
 - Clovis, California
 - 8 AP and Honors Classes including AP Computer Science Principles and AP Calculus AB
 - 3.94/4.17 GPA
- **Alta Sierra Intermediate (2020-2022)**
 - Clovis, California
 - 5 Honors Classes

PROFESSIONAL EXPERIENCE

- **Trion Supercars Website**

Worked on a team with two UX Designers and one other Web Developer to create a new website for the company Trion Supercars. I personally worked as the timeline manager for the project as well and often had to step into a full leadership position to see the project to completion.

VOLUNTEER EXPERIENCE

- **Bethany Church Fresno**

I have spent about one hundred hours volunteering at my local church. I have aided with multiple summer camps by watching over up to twenty children at once. I also worked the set up for those same activities by setting up furniture and sorting materials for later use. I often serve in a leadership role during these camps and am often referred to when one of the other volunteers has a question.
